

To All Competitors, Martial Artists, Families and Guests:

Welcome to Denver, the gateway to the West and the beautiful Rocky Mountains. It has been my life's effort to study, instruct, promote and encourage the practice of Martial Arts throughout the world. With this perspective in mind, I have made the Denver area my home, endeavoring to bring all the benefits of Martial Arts to the region. Tiger Kim's Academy and branch schools have been a leader in developing competition for all martial artists and have hosted many tournaments throughout the years in Denver.

Our tournament this year is special, as we at Tiger Kim's Academy have created an encouraging tournament experience with quality and fair judging. Awards given to the winners are of highest quality and will be offering 1st thru 7th placing. Our tournament also offers students the chance to compete with those in the varied disciplines of Karate, Kenpo, Kung Fu, Tang Soo Do and Taekwondo. These disciplines offer the best of martial arts from the Asian hemisphere of China, Japan, Korea and the United States.

In the same spirit as the Olympics, I wish the best to all competitors and hope all derive the same satisfaction as I have experienced from the practice of Martial Arts and the spirit of fun and fair competition.

Sincerely,

Master Tiger Kim
